

List for analytical assessment of group work

PRODUCTIVITY

We were working on the task and we achieved a lot

4

3

2

1

We often moved away from the task and did not achieve much

PARTICIPATION

All members of the group worked actively and contributed with their ideas

4

3

2

1

Some acted as if they were not members of the group and made a small contribution

COMMUNICATION

We carefully listened and talked even when ideas differed

4

3

2

1

Often we ignored the ideas of others, and the communication was one-way

ATMOSPHERE

We had friendly disagreements; the atmosphere was positive and relaxed

4

3

2

1

Often we had unpleasant disagreements and a tightened atmosphere

ROLES

Each member adhered to the selected role to help the whole group

4

3

2

1

Few adherents to the chosen role to help the whole group
