

The children are sleeping on the bus

The children were in the village. The children are travelling by bus.

The children are very tired. The children are sleeping on the bus. The children want to go back.

They are on a class journey.

In the picture I can see lots of children. In this picture I can see lots of chairs.

The T-Rex attacked the bus. The children are very scared.

The bus driver is out of the bus. The bus driver shot the T-Rex. The bus driver is into the bus and they are going home.

THE END

Fotografi, børn og unge i en bus
